麦德龙一贯重视食品安全并走在行业前列。严格的供应商甄选、冷链控制、规范的商场操作以及为客户提供食品安全解决方案等,使我们成为中国及世界各地专业客户共同的选择。

METRO Cash & Carry is the world's number one international self-service wholesaler. METRO opened its first wholesale centre in Shanghai in 1996, bringing a brand-new business concept to China. Now the company operates 43 wholesale centers in 34 cities across the country, employing 8,500 full-time employees and serving over 3 million professional customers.

METRO's unique business-to-business wholesaling concept targeted toward professional customers makes our company successful. We focus on the needs of hotels, restaurants, caterers, factories, small traders, and government institutions and offer them an extensive selection of more than 25,000 high quality products at competitive prices.

METRO has a leading position in terms of food safety and has built a strong competence in the safest supplier selection, ensuring the cold chain and rigorous store standards as well as providing food safety solutions for our customers. These factors make us the choice for professional customers in China and around the world.
