SUPPLIERS' DIRECTORY

The Hotel & Restaurant Suppliers' Directory (HRSD) is the leading sourcing guide to aid executives in making the best purchasing decisions for the hospitality industry. Since its conception in 1984, exuberant care in research and attention has been given to ensure comprehensiveness of trade/service categories, quality in production and thoroughness in circulation.

Officially endorsed by the regional associations and trade embassies, HRSD informs readers of the trends and latest information in the regional hospitality industries, by including annually updated complimentary sections that comprises messages from various experts sharing insights on the trends and economics of the hospitality industry in the Asia-Pacific Region, as well as articles on the topics covering "**Latest Product & Technologies**", "**News & Business Opportunities**", "**Movers & Shakers**", major hospitality projects and exhibitions.

As the official supporting publication for more than 6 major exhibitions in Asia, HRSD provides a comprehensive regional listing that includes supporting industries from Singapore, Malaysia and Indonesia.

More than 25,000 copies of HRSD are circulated on a PAN-ASIAN basis to Hoteliers, General Managers, Purchasing Managers, Chefs, Housekeepers, F&B Managers, Security Officers and all other senior executives involved in the buying decision. Also included in the circulation are the management personnel of Private Clubs, Entertainment Establishments, Supermarkets, Airlines, Statutory Boards, Cafeterias, Fast-food outlets, Pubs, Lounges, Interior Designers, Architects, Developers, suppliers of products and services relevant to the industry, as well as the key representatives of their respective trade commissions for countries including Australia, Austria, Belgium, Brazil, Britain, Canada, Egypt, France, Italy, India, Japan, Korea, Norway, New Zealand, Poland, Pakistan, Sri Lanka, Switzerland, Saudi Arabia, Sweden, Spain, The Netherlands, Turkey and USA.
